(1) Being a Mufassil Institution it seems necessary that for the good Management interests of the temple. The Pujari at present is perhaps not at all aware of the existence of this Inam, Judging from the report of the R.C. Anyhow whether the Pujari complains or not, the temple which had been granted an Inam and which is not defunct should not be allowed to continue to enjoy the Inams originally endowed to it. I think that the temple which is in very good condition ought not to be deprived of its Inam for ~~the~~ Small because a former Poojari relinquished and the Revenue authorities brought the land under assessment.

Financial *Department.*

Sir,

I have the honor to forward herewith copy of letter No.Y.93 of 33-34 dated 11-8-'33 from the Deputy Commissioner, Tumkur District, in the matter of the grant of land in Kamanadurga village formerly endowed to the temple of Sri Subrahmanyaswami at Nagalamadike, Pavagada Taluk, and to state as follows:-

2. The land Re-S.No.258 (old S.No.154) wet measuring 1 acre 21 guntas of Kamanadurga village was an inam endowed to Sri Subrahmanyaswami temple at Nagalamadike, Pavagada Taluk. The archak tendered his relinquishment application in 1885-86 and the land was brought under assessed waste, eight years afterwards, One Narasappa bin Yogappa got the land in a Darkhast sale in 1894-95 and after him it is in the enjoyment of his sons at present. Full assessment is being recovered on the land for the last 10 years.

3. It is stated that it is not possible to explain at this distance of time how the inam tenure of the land was lost sight of when it was brought under assessed waste in 1885-86 and disposed of in darkhast during 1894-95.

4. The Survey Superintendent who was consulted states with reference to the Inam records that the name of the Sri Subrahmanyaswami has been entered in the accounts of 1803 and accordingly the Inam was confirmed in the name of the deity though the Sanad in respect of the original grant was not produced at the time of the Inam Settlement.

5. As the land has been disposed of so far back as 1894, and the full assessment is being recovered, the Deputy Commissioner recommends that the inam tenure of the land may be cancelled.

6. In these circumstances, I request that sanction of Government may be accorded to the proposal of the Deputy Commissioner.

7. The records are herewith submitted for favour of reference.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner

Letter No.M.93/33-34 dated 11-8-33 from the Deputy Commissioner, Tumkur District, to the Muzrai Commissioner in Mysore.

I have the honor to state that the marginally noted inam land was endowed to the temple of Sri Subrahmanyaswami at Nagalmadike, Pavagada Taluk, for puja and deepam. The Amildar of Pavagada Taluk found that this land stood in the khate of one Narasappa bin Yogappa and was also in his own enjoyment. A notice was issued to Narasappa on 15-6-29 directing him to restore the land to the temple failing which action would be taken to resume the same. In answer to the notice, Narasappa has presented an application stating that he got the land in 1894-95 in the darkhast sale, that he had been in possession and enjoyment thereof ever since, that he has spent a lot of money over it and that he cannot relinquish his right thereto.

2. The extracts from the khatewar Patrika of Kamandurga village go to show that the land was brought under assessed waste in the year 1885-86 as per relinquishme application tendered by archak Papabhatta during that year, that the same was disposed of to Narasappa bin Yogappa in the year 1894-95 as per darkhast; an that it has continued to be in his name until recently. The Amildar and the Sub Division Officer have both opined that the inam tenure of the land may be got cancelled since the same has been in the enjoyment of others who are paying full assessment thereon for nearly 40 years.

3. The fact that the land has been an inam is found by the entries in the revised Quit rent register only. It is not possible at this distance of time to explain how the inam tenure of the land was lost sight of when it was brought under assessed waste during 1885-86, and disposed of in darkhast during 1894-95. Under these circumstances, I agree with the Amildar and the Sub Division Officer and request that the inam tenure of the land may be cancelle The connected file of records are herein enclosed for kind perusal.
